ABOUT GBR27

WHAT IS GBR27?

Go Beyond Retreat (GBR) is the flagship annual retreat of CEO Clubs India, bringing together accomplished business leaders for meaningful conversations, shared perspectives and experiences that extend beyond the boardroom.

Hosted by the Bangalore Chapter in Goa, GBR27 explores a defining leadership challenge of our time: how to make more deliberate decisions in a world of accelerating change.

Now in its seventh edition, **GBR27 brings together 300+ CEOs and spouses** for an immersive gathering centred on leadership, world-class ideas, exclusive networking and memorable experiences.

THIS YEAR'S THEME

THE DISCERNMENT

Technology, geopolitics, climate, capital, culture and work are transforming simultaneously. The challenge is the widening gap between the velocity of change and our capacity to interpret, absorb and govern it.

The Disruption Gap is the distance between capability and adaptability, information and understanding, speed and judgment, growth and meaning, possibility and purpose. Organisations can become more capable while leaders become less clear and more distant from people and purpose.

The Information Age rewarded access. The Digital Age rewarded connectivity. The emerging Intelligence Age rewards capability. Leadership now demands discernment: distinguishing signal from noise, important from urgent, and possibility from purpose.

When everything becomes possible, choosing what not to pursue becomes a leadership advantage.
